

November 11, 2014

Meeting was called to order by President, Joanna Hensley.

Minutes from last meeting were read by Catherine Gregory in Rhonda's absence. Lori Palmer motioned to approve the minutes, Diane Moore seconded.

Julie read the Treasurer's report and status of fundraisers. All fundraising to date is at or over what has been budgeted to date. There were no questions regarding the Treasurer's report.

Meals for playoff games were discussed. It was decided to go ahead and provide meals, but to try to get a discounted rate and order everything from one vendor. Catherine was going to check on the budget and report back to Boosters if money was not available.

Christmas party progressive dinner needs to be planned. Catherine said the Varsity Team Reps were already working on it.

Big/Little Sister gifts and participation was discussed. Catherine said she cannot require the girls to buy gifts for their little sisters. Topic was tabled for later discussion.

Joanna brought up some sort of charity event for the girls to participate in. Possibilities were to incorporate it into their progressive dinner by dropping cookies at fire station, going to Mustang retirement center and decorate Christmas tree, Christmas caroling.

Joanna talked about Spirit paint. It was at ChikFILA, cheerleaders made a promotional video, TradeMark carwash coupons. We had about 12 cheerleaders participate but still only about 12 cars painted. Is it a worthwhile venture to continue with so little participation?

Joanna talked about Senior night. Juniors hosted a breakfast for the Seniors, Tricia hosted morning of pep rally. Red poms and 1 red megaphone was purchased for the Seniors for Senior night. It was decided that Catherine would keep the poms and megaphone to begin a new tradition of recognizing the Seniors with red poms instead of letting the girls keep the poms.

Painting with a twist is Feb 5, \$35 per person we get \$10 per person for the first 10 people after that we get \$15 per person. Can accommodate up to 120 people. Wanting to have at high school, but need further investigation as to facilities available.

Joanna talked about sports memorabilia promised to us by Kris Cumnock. She is still trying to get those items from him. Hoping to have that as an additional fundraiser.

Julie gave Quick update on RWTE and fan sales. Fans have all been sold and last 2 schools for RWTE had no fans to sell. We met our goals on both fan and RWTE. Need to look for missing ribbons.

Cheer Chick camp is Feb 21. Mobile service for business has offered his services for free for advertising on our website. Info can all be obtained including registration on your handheld device. Registration can be by paypal or by snail mail. Chairs could not be at meeting, but Joanna said they are doing a great job getting things together.

Still need a scholarship chair. Cannot be a Senior parent. Parameters need to be discussed and organized soon.

Joanna asked if there was any interest in an evening pep rally. Options were discussed for ways to build relationships with other booster clubs to organize a post-season pep rally.

Meeting was adjourned at 8:33.
